Dear Parents,

It looks like it's going to be another FANTASTIC year at MES! I can't wait to get started! Please feel free to contact me at any time regarding your child. I look forward to working with you!

What to Expect in Math this Year!

Math is so much fun!

We will be using Engage^{NY} for math this year. It is a great common core curriculum with resources on-line. Students will not have a textbook, but we will have resources & problem set worksheets to assist with homework. The following are a few concepts we will cover this year:

- Telling Time
- Graphing
- Multiplication
- Fractions
- Measurement
- Division

"The only way to learn mathematics is to do mathematics."

- Paul Halmos

FLO-AMANN ZUSAMMEN
"TOGETHER"

Grammar & Spelling

Grammar – Students will explore sentences, nouns and verbs through fun lessons and classroom activities. Quizzes will be given for each concept.

Spelling – Words are given at the beginning of each new reading story. Students are expected to study their words at home. Minimal class time is spent on Spelling.

Social Studies

I LOVE Social Studies!

This is my favorite subject!

This year your child will become a cartographer, learn about Ben Franklin and other Founding Fathers of the United States, explore with Lewis & Clark and much more.
